

Mentor Meeting- 15

- **Jaya**

- Presented ongoing work
- Suggested to expand the work to other cell lines
- Repeat some experiments and make sure of reproducibility
- Check the inhibitory action of drug against target molecules

- **Jaspreet**

- Compiled the *in silico* work done in the project
- Suggested to do computational experiments for checking binding affinity of drugs with target molecules and complex

(2017-05-26, 12:00 PM (IST))

Dr. Renu, Dr. Sunil, Dr. Sundar, Priyanshu, Jaya, Vidhi, Jaspreet, Anjani
