

**CYL 729 : Materials Characterization
(2011-2012 SEMESTER II)**

Course Coordinator : Prof. A. K. Ganguli

Office MS-709, Tel : 1511; email: ashok@chemistry.iitd.ernet.in

Website : <http://web.iitd.ac.in/~ashokganguli>

(Course details and tutorials sheets and other information will be available at the above website)

Note to students

Welcome to the course CYL 729. I hope you all enjoy the course. If you need to mention anything about the course send me an email during the course and also at the class committee meetings to be held by the department twice in the semester. I am always available for extra help , especially during 1-2 P.M. in my office, however any other time is also fine.

Make yourself aware of the course contents which are given in the handbook given to you at the time of admission. The tutorial sheets and any notes (which I feel may be useful to you) will be on my website. The first two tutorial sheets(1 and 1A) have been posted.

Lecture Schedule

Time : (8.00 to 8.50 A.M; . Tuesday, Wednesday and Friday

Venue : MS-627

Marks distribution : Total 100 Marks
