

DEPARTMENT OF TEXTILE TECHNOLOGY

No: IITD/TT/2012/

Oct. 31, 2012

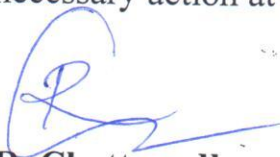

Subject: Implementation of the New Undergraduate Curriculum

This refers to your circular dated Sept. 10, 2012 regarding implementation of the New Undergraduate Curriculum. The required information in this context was discussed in our Departmental Faculty Board meeting which is as follows: (minutes enclosed)

The DFB members expressed their willingness to start dual degree MBA programme. The intake of students at the entry level should be 100 irrespective of whether dual degree MBA is started or not.

In case the dual degree MBA is started, 60 students will pursue the 4 year B.Tech programme while the remaining 40 students will pursue the dual degree MBA programme.

This is for your information and necessary action at your end.

(R. Chattopadhyay)

Head, Department of Textile Technology

Encl: As stated above.

The following members were present during the meeting:

Prof. R. Chattopadhyay	Chairman
Prof. S. M. Ishtiaque	-do-
Prof. Kushal Sen	-do-
Prof. B. K. Behera	-do-
Prof. B. Gupta	-do-
Prof. R. S. Rengasamy	-do-
Prof. Manjeet Jassal	-do-
Prof. Mangala Joshi	-do-
Dr. Deepti Gupta	-do-
Dr Apurba Das	-do-
Dr B. S. Butola	-do-
Dr Amit Rawal	-do-
Dr Sourabh Ghosh	-do-
Dr Dipayan Das	-do-
Dr Samrat Mukhopadhyay	-do-
Dr Bhanu Nandan	-do-
Dr Rajiv Srivastava	-do-
Dr Abhijit Majumdar	Convener

The DFB extended welcome to the new Head of the Department, Prof. R. Chattopadhyay.

Agenda 1: Curriculum revision

The aforesaid matter was discussed in detail. The DFB decided to continue with the existing B.Tech programme in textile technology for the entry level JEE students.

The DFB members expressed their willingness to start dual degree MBA programme. The intake of students at the entry level should be 100 irrespective of whether dual degree MBA is started or not. In case the dual degree MBA is started, 60 students will pursue the 4 year B.Tech programme while the remaining 40 students will pursue the dual degree MBA programme.

Agenda 2: Faculty affairs committee

The DFB members were informed that Dean (Faculty) has requested the HOD to nominate one Assistant Professor from Textile Technology department for the faculty affairs committee. Dr. Amit Rawal was nominated for the same by the DFB.

Agenda 3: List of reputed journals

The list of reputed journals was presented to the DFB. The inputs from all the faculty members were taken and the list was finalized (list attached).

Agenda 4: Books for library

The books recommended by the faculty members for the library were approved.

Agenda 5: Ph.D Selection criteria

Prof. B. Gupra proposed that the Ph.D student selection criteria of the department should be revisited. It was decided that DRC will take up this issue in the next meeting to do the needful.

Agenda 6: 5th World 3d Fabric conference

The DFB members were informed that the 5th World 3D fabric conference will be coordinated by Prof. B. K. Behera. This is scheduled in November 2013.

The meeting ended with thanks to the chair.

Abhijit Majumdar
