The course structure, schedule and templates of all Department courses were reviewed in detail. Minor comments on some courses were conveyed to the Departmental members for correction, with a request to submit all updated information for upload on UCIC website within a couple of days.

Regarding pooling of faculty resources to teach EAS and other courses which could be taught by multiple Departments, the members of concerned Departments were requested to ask their Heads to initiate mutual discussions. This arose particularly in context with courses of AM and ME Departments.

All programme-linked courses were requested to be given 100 level numbers since they expect no pre-requisites, or at best Institute core courses as pre-requisites.

The meeting ended with thanks to the chair.
