### Teaching Excellence Awards to Faculty

Institute conducted an online survey of all students registered in I semester 2010-2011. Based on the survey results, the following faculty members were conferred with teaching excellence awards on 27th Jan 2011:

**Prof. K. Thyagarajan**

**Course :** PHL110

**Department :** Department of Physics

**Comment :** An outstanding course and mind blowing teachers. One of my favourite courses

**Prof. V.K. Tripathi**

**Course :** PHL110

**Department :** Department of Physics

**Comment :** An outstanding course and mind blowing teachers. One of my favourite courses

**Prof. Subhashis Banerjee**

**Course :** CSL102

**Department :** Department of Computer Science and Engineering

**Comment :** It was an eye opener learning this course from sir, it gave me a different outlook about programming and algorithm writing.

**Prof. D.T. Shahani**

**Course :** IDL711

**Department :** Instrument Design Development Centre (IDDC)

**Comment :** The Course has been a very new and insightful course and has given an opening to apply electronics and signal processing in the field of instrumentation as well.

**Prof. Sanjeev Sanghi**

**Course :** AML160

**Department :** Department of Applied Mechanics

**Comment :** One of the best courses this sem. sanghi is a great teacher. course organisation was brilliant grading was quick and transparent exam papers were meticulously set. teachers attitude is very good. keep up !!

**Prof. S. Bhalla**

**Course :** CEL331

**Department :** Department of Civil Engineering

**Comment :** Very enthusiastic prof and really enjoyed studying this course . Also not evaluated on the basis of final answers but on the basis of concepts.

**Prof. J.P. Subramanyam**

**Course :** MEL713

**Department :** Department of Mechanical Engineering

**Comment :** This course helped to learn some new things in the subject, as at undergraduate level some things were not clear. Also from practical and assignment I learned a lot.

**Prof. P.R. Bijwe**

**Course :** EEL896

**Department :** Department of Electrical Engineering

**Comment :** Very committed to teaching, punctual, friendly teacher. Helped me to develop interest in the subject.

**Dr. Nilanjan Senroy**

**Course :** EEL303

**Department :** Department of Electrical Engineering

**Comment :** In this course Professor also tried to enhance our knowledge out of theory and science of course by providing so much informative knowledge about industrial application.
