

Papers Published in Indian Conferences

1. Datta, T.K. "State of the Art Review on Performance based Seismic Design", 14th Symposium on Earthquake Engineering, IIT Roorkee, 2010.
2. Goyal, P.K., Datta, T.K. and Vijay, V.K. "Fragility Analysis of Rural Houses due to Cyclonic Wind", 4th National Conference on Wind Engineering, SERC, Chennai, 2007, pp.337-344.
3. Khan, R. and Datta, T.K. "Fragility Analysis of Cable Stayed Bridges", 12th Symposium on Earthquake Engineering, Roorkee, 2002.
4. Rao, M.M. and Datta, T.K. "Predictive Active Control of Building Frames Using Solo Neurocontroller", 12th Symposium on Earthquake Engineering, Roorkee, 2002.
5. Bhardwaj, M.K. and Datta, T.K. "Fuzzy Rule Based Semi-active Control of Building Frames under seismic Excitation", 12th Symposium on Earthquake Engineering, Roorkee, 2002.
6. Naqvi, T., Ramana, G.V. and Datta, T.K. "Seismic Risk Analysis of Masonary Buildings", 12th Symposium on Earthquake Engineering, Roorkee, 2002.
7. Banik, A.K. and Datta, T.K. "Nonlinear Dynamics of SDOF Mooring System Under Periodic Wave", Hydro 2002 Symposium, Powai, Bombay, 2002.
8. Allam, S.M. and Datta, T.K. "Frequency Domain Analysis of Cable Stayed Bridges Under Stationary Random Ground Motion," Proc. 11th Symposium on Earthquake Engineering, Roorkee, 1998.
9. Naqvi, T., Ramana, G.V. and Datta, T.K. "Microzonation of Mega Cities based on Probabilistic Consideration," Proc. 11th Symposium on Earthquake Engineering, Roorkee, 1998.
10. Rao, M.M. and Datta, T.K. "Use of ANN for Linear Active Control of Structures", Proc. 11th Symposium on Earthquake Engineering, Roorkee, 1998.
11. Shukla, A.K. and Datta, T.K. "A Comaparative Study of Viscoelastic Damper Models in Building Frames under Seismic Excitation," Proc. 11th Symposium on Earthquake Engineering, Roorkee, 1998.
12. Sarbjeet, S. and Datta, T.K. "Nonlinear Active Control of Building Frames under Seismic Excitation," Proc. 11th Symposium on Earthquake Engineering, Roorkee, 1998.
13. Singh S., Shukla A and Datta T.K. "Mitigation of Seismic Response of Tall Building by means of Active Tuned Mass Damper", Proc. Workshop in Earthquake Disaster Preparedness, Roorkee, 1997.
14. Suneja B.P. and Datta T.K. "Effect of Drag Linearization on the Linear Active Control of Articulated leg Platform", Proc. Ship and Ocean Technology, IIT Kharagpur, 1997.
15. Umar A., Datta T.K. and Ahmad S. "Second Order Wave Forces on Large Offshore Structures", Proc. Ship and Ocean Technology, IIT Kharagpur, 1997.
16. Suneja B.P. and Datta T.K. "Frequency Domain Optimal Control Algorithm for Compliant Offshore Structure in Nonlinear Response", Proc. All India Seminar on Recent Trend in Computer-Aided Analysis and Design of Structure, SGSITS Indore, 1997.
17. Suneja B.P. and Datta T.K. "Linear Active Control of ALP with Acceleration Feedback", Proc. Structural Engineering Convention, IIT Madras, 1997.
18. Suneja B.P. and Datta T.K. "Control of Dynamic Response of Articulated Tower Platforms", Proc. Int. Conf. in Ocean Engineering, IIT Madras, 1996.
19. Datta T.K. "Seismic Behavior of Underground Structures-A State-of-The-Art Review", Proc. Earthquake Effects on Structures, Plant and Machinery, New Delhi, 1996.
20. Singh S. and Datta T.K. "Use of TMD in Active Mode for Seismic Structural Control", Proc. Earthquake Effects on Structures, Plant and Machinery, New Delhi, 1996.
21. Shukla A.K. and Datta T.K. "Response Analysis of Structures with Viscoelastic Dampers", Proc.

Earthquake Effects on Structures, Plant and Machinery, New Delhi, 1996.

22. Agrawal A.K. and Datta T.K. "Seismic Response of Light Equipment Mounted on Torsionally Coupled Main System", Proc. Earthquake Effects on Structures, Plant and Machinery, New Delhi, 1996.
23. Allam S. M. and Datta T.K. "Seismic Response of Suspension Bridges", Proc. Earthquake Effects on Structures, Plant and Machinery, New Delhi, 1996.
24. Datta T.K. "Control of Dynamic Response of Structures", Proc. Indo-US Workshop on Emerging Trends in Vibrational and Noise Engineering, New Delhi, 1996.
25. Datta T.K. "Development of Software for Random Vibration Analysis of Structures", Proc. 1st National Conference on CAD, Hyderabad, 1996.
26. Jangid R.S. and Datta T.K. "Dynamic Characteristics of Structure with Multiple Tuned Mass Dampers", 10th Symposium on Earthquake Engineering, Roorkee, 1994.
27. Jangid R.S. and Datta T.K. "Optimum Damping in Nonlinear Base Isolated System", 10th Symposium on Earthquake Engineering, Roorkee, 1994.
28. Bisht R.S., Jain A.K. and Datta T.K. "Response of Offshore Gyed Tower Due to Second Order Wave Forces", Ocean Technology Prospective, CSIR Golden Jubilee Conference, Goa, 1994.
29. Abdul Ali, Ahmad S. and Datta T.K. "Wave Induced Response of Tension leg Platform", Ocean Technology Perspective, CSIR, Golden Jubilee Conference, Goa, 1994.
30. Bisht R.S., Jain A.K. and Datta T.K. "Dynamic Behavior of Guyed Tower Under Regular Wave", NASAS, Kharagpur, 1994.
31. Deoliya R.S. and Datta T.K. "Fatigue Damage Estimation of Antenna Towers Due to Gaustiness of Wind", NASAS, Kharagpur, 1994.
32. Jangid R.S., Jain A.K. and Datta T.K. "Stochastic Response of Structures Supported on R-FBI System, Proc. 2nd International Conference on Vibration Problems, Jalpaiguri, 1993.
33. Deoliya R. and Datta T.K. "Field Measurement of the Characteristics of Wind Velocity and Corresponding Response of Flexible System", Proc. 8th National Convention of Aerospace Engrs, Kharagpur, 1993.
34. Datta T.K. "Fluid Structure Interaction in the Dynamics of Deep Water Offshore Platforms", Proc. 8th National Convention of Aerospace Engrs, Kharagpur, 1993.
35. Singh W.S, Datta T.K. and Jain A.K. "Dynamic Response of Articulated Single Point Mooring System to Regular Waves, 4th Indian Conference on Ocean Engineering, Goa, 1991.
36. Zare K. and Datta T.K. "Static Characteristics of Lazy "S" Risers", 4th Indian Conference on Ocean Engineering, Goa, 1991.
37. Jain A.K. and Datta T.K. "Response Behavior of Offshore Guyed Towers", 4th Indian Conference on Ocean Engineering, Goa, 1991.
38. Ahmad S. and Datta T.K. "Riser Response to Non-Stationary Seismic Excitation", 4th Indian Conference on Ocean Engineering, Goa, 1991.
39. Hamzeh S. and Datta T.K. "Inelastic Response of Torsionally Coupled System to an Ensemble of Real Earthquake Records", Proc. 9th Symposium on Earthquake Engineering, Roorkee, 1990.
40. Soliman H.O. and Datta T.K. "Response of above Ground Pipelines to Multi-Component Ground Motion", Proc. 9th Symposium on Earthquake Engineering, Roorkee, 1990.
41. Jangid R.S. and Datta T.K. "Response Behavior of Base Isolated Buildings", Proc. 9th symposium on Earthquake Engineering, Roorkee, 1990.
42. Ahmad S. and Datta T.K. "Effect of Geometrical Nonlinearity on the Response of Marine Risers", Proc. 3rd Indian Conference on Ocean Engineering, Bombay, 1986.

43. Jain A.K. and Datta T.K. "Effect of Current on Dynamic Response of Offshore Structures", Proc. 3rd Indian Conference on Ocean Engineering, Bombay, 1986.
44. Datta T.K. "Effect of Current and Barge Motion on Pipe laying", Proc. 3rd Indian Conference on Ocean Engineering, Bombay, 1986.
45. Datta T.K. and Jain A.K. "Across Wind Response of Concrete Chimneys due to Vortex Shedding", Proc. Asia Pacific Sym. on Wind Engineering, Roorkee, 1985.
46. Datta T.K. and Gupta A. "Soil Structure Interaction Problems in Offshore Structures", Proc. International Workshop on Soil Structure Interaction, Roorkee, 1982.
47. Basu A.K., Datta T.K. and Singh R.P. "On the Efficiency of Certain Numerical Integration Methods for the Time Domain Analysis of Steel Jacket Platforms", Proc. Indian Conference on Ocean Engineering, Madras, 1981.
48. Datta T.K. "Post Yield Phenomena in R.C. Slabs", Proc. National Symposium on Large Deformations, New Delhi, 1979.
